

# SHOOTING

GLANUSK

EXCLUSIVE COUNTRY ESTATE SHOOTING

*"Amazing day, thank you all so much, I have been on many shoots and this was by far the most spectacular location, the bacon butties were excellent!!!"*

*"meeting the family was an absolute pleasure...what a thoroughly exciting day"*

*"What a warm welcome and a refreshing approach"*

## SIMULATED SHOOTING

Glanusk Park is now offering simulated shooting days year round in partnership with 'Sporting Glory UK', a company that specialises in providing unique simulated shooting days throughout the UK.

Using many of the existing Pheasant, Partridge, Duck and if requested Grouse drives, Glanusk Park provides a unique setting for corporate groups, house parties and individuals to experience the fun and enjoyment of simulated game shooting.

We can tailor any requirements or requests you may have, for parties, corporate entertaining or just a group of friends, perhaps you might like to have some fishing on the same day on the 5 mile stretch of the Usk River.

The day begins with a hot breakfast or lunch in the Family Gun Room or on occasion the Main House. The team is split into two teams if you like. The shoot is set up for eight guns and each team has the opportunity to shoot all drives.

At Glanusk we run the shoot as we would a normal shooting day on the Estate. Your experience is priority and we do our utmost to ensure that you thoroughly enjoy your day. We treat every visitor as family friends, while you are on the Estate this is exactly what you are!!!

Our flexibility and approach means that you are catered for whatever your level of expertise. You tell us what you want from the day and we do the rest

*"One of my best day's shooting..."*

*"Some of the most challenging and high birds that I have experienced in many years.."*

*"An exceptional variety of drives..."*

# ROUGH SHOOTING

Glanusk Park has a number of Rough Days available for individual guests as well as local syndicates. Always a fun day out in a number of different areas on the Estate, from high Hills, Open Farmland and Forested Areas. Guns will be accompanied by the Estate Ghillie/Keeper, Stuart Jarvis.

Stuart has worked as Game Keeper/Ghillie on the Estate for 40 years, what he doesn't know about shooting is not worth knowing. Stuart's energy and knowledge is infectious and we hold him dear here at the Estate.

The family are always welcoming to guns and should you require sustenance, let us know what you would like and we will do our best to cater for you.

Refreshments will be served in the Gun Room or in the Main House, Penmyarth.

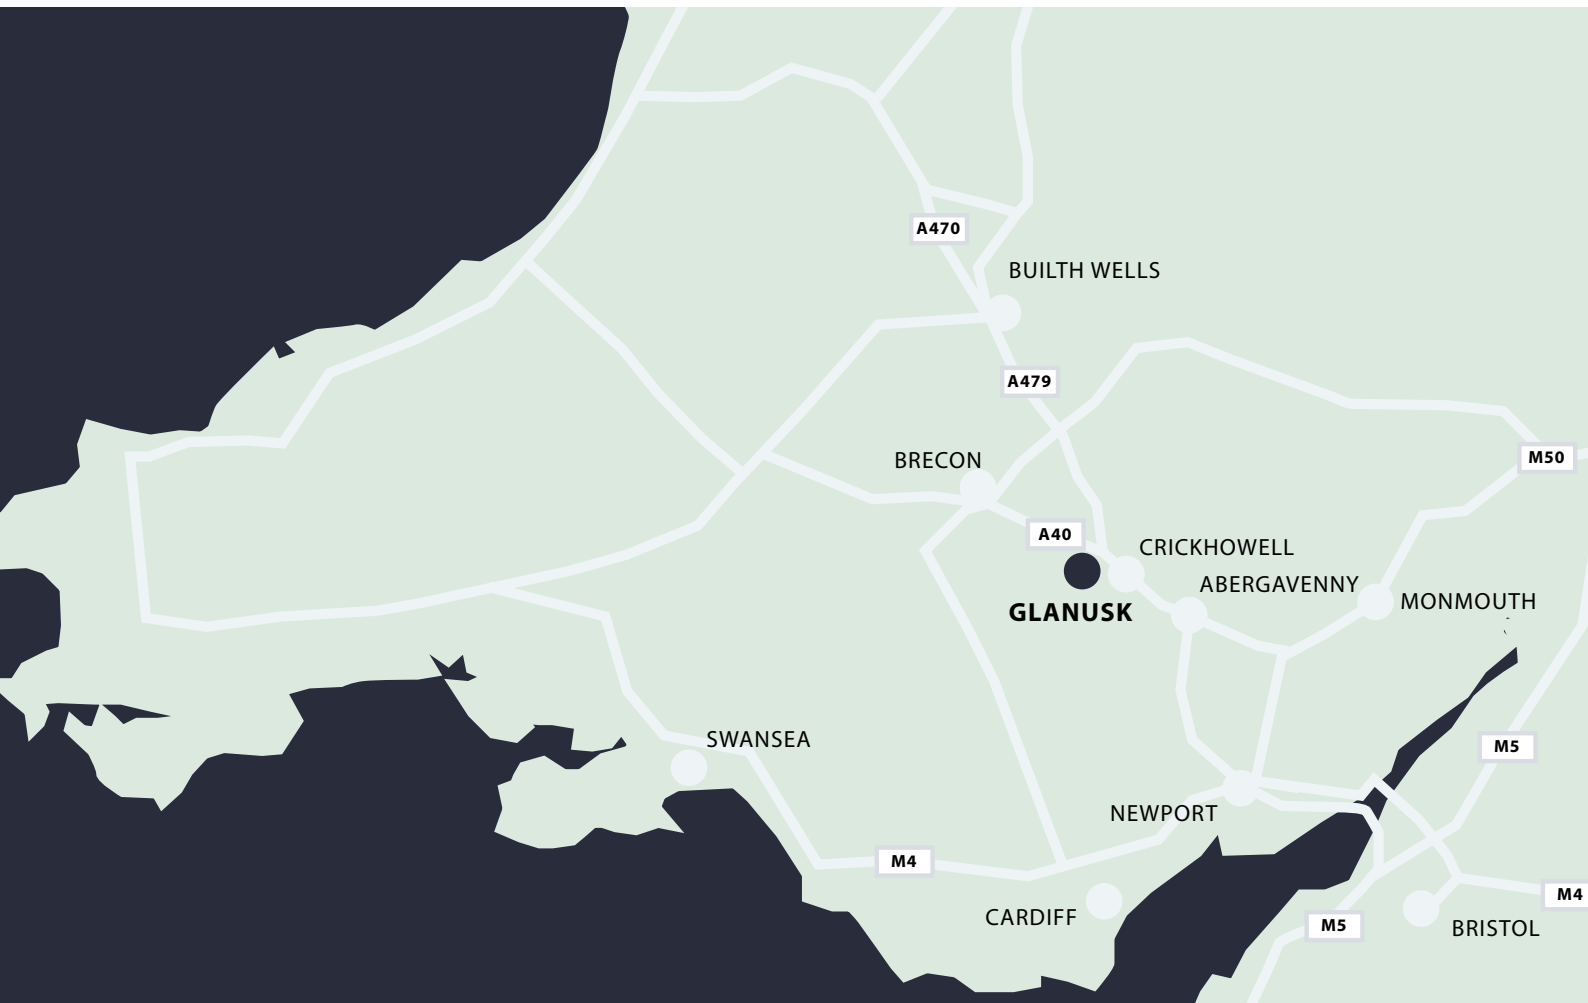

Exclusively yours £3,500 plus refreshments.

Accommodation is available at Penmyarth House.

## FISHING

The fishing at Glanusk Park is some of the very finest for Brown Trout on the River Usk, and can provide excellent Salmon fishing.
