

Guest's Comments Glanusk Polo 2009

"Once of the best organised matches I have been to. Sincere thanks to the Legge-Bourke family for the use of their splendid grounds."

"Absolutely - we would love to book a box for next year."

"Glanusk is such a superb setting, the Legge Bourke family, friends and helpers worked so hard"

"The setting is superb, but we were also struck by how well organized everything was, with just the right number of people given the personal touch, it was a truly memorable day"

"Well done and please let us support another such event, it was an excellent introduction to Polo for my husband and I"

"Firstly, thank you for organising such a great event. I normally attend the Cartier polo at the Guards club but when I had a date clash this year - I looked for an alternative instead - We all had a marvelous time both in the day and at the party later. We all thought it was a really special atmosphere and it would be hard to rival the beautiful Glanusk setting anywhere in the world. I also have the others hooked and I'm trying to get a big enough group together to book a beach hut at the Swansea polo in August."

"Many thanks to you both for all your hard work and brilliant communication. It was a brilliant day, which we all enjoyed. "

"We really enjoyed the day and have duly put the provisional date in the diary for next year."

"Saturday was a most enjoyable day and we are delighted to hear that you may repeat the event next year. We will definitely be there! Although we couldn't appreciate the finer points of polo, we greatly admired the skill and derring-do of the riders and horses....tremendous!"

"Congratulations on such a splendid match and day with convivial people. Susan and I and the party we organised to come with us enjoyed it tremendously. We look forward to the next St. David's Polo even. I am not surprised by your observation about the litter, the people who came would have been conscious of observing what i would loosely call a countryside code of respect and decency and gratitude for being invited to the event and hopefully to be invited to the next on."

"Firstly I wanted to say how much I enjoyed the day, it was my first experience of a Polo match and I have to say I thought it was fabulous all round. Well done everyone involved."

"Just a note to say well done for a successful weekend. The party we were in had an excellent day!!"
